# ASMPC to Vote on Revision

EL YANQUI

Vol. X, No. 21 MONTEREY, CALIFORNIA Friday, May 3, 1957

by Chuck McFadden

**MPC voters will go to the polls Friday, May 10, to approve or reject proposed major revisions to the ASMPC Constitution.**

**Perhaps the most important change called for in the revision is the creation of two councils, rather than the one presently existing. The two new councils would be called the Executive and Student Councils, and both would meet weekly.**

Dr. Joseph Blacow

**Executive Council**

**The Executive Council, if the revisions are passed, will consist of the ASMPC President, Vice President, Secretary, and the new** posts of Commissioner of Clubs, Commissioner of Activities, and Commissioner of Publicity. The Dean of Students will act as advisor. The Student Council will be comprised of all the members of the Executive Council, plus a Social Chairman, Property Director, Activities Publicity Chairman, News Bureau Chairman, Athletics Chairman, Rallies and Assemblies Chairman, Head Cheerleader, Head Songleader, Sopomore Class President, Sophomore Class Secretary-Treasurer, Freshman Class President, Freshman Class Secretary-Treasurer, and the Presidents of each chartered on-campus club. The Executive Council Advisor and the Inter-Club Council Advisor will be co-advisors of the Student Council.

**New Plan**

Under the new plan, which must be approved by a two-thirds majority, the ASMPC Vice President will serve as treasurer of the ASMPC, and will handle approximately the same duties as the present Commissioner of Finance, plus the present duties of the Vice-President.

## Barbecue, Carnival, Dance Planned For Annual MPC Heyday Wednesday

**Students and faculty members will trade the classroom for the football field Wednesday, in honor of MPC Heyday. This annual activity day of games, a barbeque, carnival and dance will be celebrated from noon to 11 p.m.**

**In other years, students have cleaned up the campus, aided with gardening, and painted rooms, according to Dean of Women, Marjorie Marshall.**

**"But the maintenance staff does a more than adequate job, nowdays and work opportunities have been declining each year," she said. "This year we decided** to just start the activities with the play and forget about the work."

Emily Waszkiewicz

**Starts at Noon**

Proceedings will begin at noon, with sophomores selling luncheons, auctioning off Lost and Found articles and providing entertainment.

Competition for the MPC banner will be entered by 12 department teams of students. Faculty members will officiate. Tickets for the barbecue-dance are on sale in the union. Admission is $1 with, and $2 without an ASMPC card.

Carnival booths will be built and run by various clubs. Winners in games of chance will be awarded script. Holders of the most script will be given prizes, according to Mrs. Marshall.

**Many Prizes**

"We plan to give away 15 or 20 prizes," Mrs. Marshall said. "We hape to get various Peninsula merchants to donate them."

Teams and their sponsors participating include: Art, Niel Carlson; Business, Fletcher Dutton; English, Language, Warren Chapman and August Armanasco; History, Reuben Johnson; Music, Bruce Hubbard and Harvey Marshall; Journalism-Photo, Erv Harlacher and Chet Smith; Political Science, Ralph Smith; Police Training and Home Ec, Tor Spindler and Rosabelle Hamann; Psychology-Sociology, Gwynne Nettler and Jon Morrow; Science, Eugene Haderlie and Gordon Williams; Speech-Drama, Morgan Stock and Duncan Sprague; and Library, Gilbert Fites and Elizabeth Martin.

Sign-ups are still accepted.

## MPC Delegates Attend Meet

Wearing their new grey flannel blazer jackets, five members of the MPC Executive Council, accompanied by John Freemuth, dean of men, left yesterday for Los Angeles to attend the bi-annual conference of the California Junior College Student Government Association.

While in Los Angeles, the MPC delegates will stay at the Ambassador Hotel, where the conference will be held.

MPC delegates attending, and the workshops they will participate in are as follows: Student Government, Ed McEvoy, Publications, Bob Martin, Athletic, Bill Craig, Social Activities, LeeAnn Boyns, and Finance, Beaux Townsend.

The council members expect to return Sunday afternoon.

### Building on Schedule

Despite recent rainstorms which barred construction men here from working several full weeks, the target date of completion for MPC's new campus buildings will be met.

## Europe Tour Due For Waszkiewicz

Miss Emily Waskiewicz of the MPC Business Department will take a year's leave of absence to teach in Europe this August, at an Army Dependent school. She plans to return to MPC in August of 1958.

She will be replaced by Mrs. Maureen Green, currently teaching in the night school.

"I'm thrilled at being accepted for this job, for not only will I gain teaching experience, but I will also have a chance to travel," Miss Waskiewicz said. This will be her first trip to Europe.

Miss Mary Rile, MPC Home Economics Department head, is presently teaching in Europe under this same Army program.

Miss Waszkiewicz, who has been on the staff since 1954, received her BS degree from Western Michigan College. Her graduate study was done at Stanford where she earned her MA degree.

She has taught at Michigan and Lone Pine Union high schools, and Riverside College.

## Chorus Travels To SFS Festival

MPC's Chorus will leave for San Francisco State Monday, May 6, to participate in the annual Junior College Choral Festival, which is being held there this year. Choral groups from all the junior colleges in the Central California Division will attend the meet.

The purpose of the Festival is to bring the choruses together to perform for each other. By doing this, students and instructors can contrast their progress against other junior colleges and against the four-year college that hosts them.

"This Festival helps us to maintain a high standard of choral performance," Dr. Harvey Marshall, head of the MPC music department, said. "And besides the competitive value it also gives us a larger range of choral work to gauge ourselves by," he added.

Approximately 700 choral members from junior colleges in central California will attend the meet. This will be the seventh consecutive year MPC has participated.

## Students Receive Business Award

Two MPC students, Diane Underwood and Ron Prince, were recently announced as winners in the new Bank of America Junior College Business Awards program.

They will receive certificates of merit at a junior college assembly. A cash award of $100 will be presented June 4 at a banquet in the St. Francis Hotel in San Francisco.

Prince was chosen the number one student majoring in business administration, and Diane was chosen as the top student in the clerical-secretarial field.

Faculty members chose the students, judging them on the basis of scholarship, personality, extracuricular activities, and employment.

The program was launched by the Bank of America to stimulate the students to preparing for business and secretarial careers.

Both students have been active in clubs on campus. Prince is currently holding the office of Alpha Gamma Sigma president and is a past president of the Business Club. Diane was president of the Associated Women Students the past semester, and is a member of AGS.

James B. Thompson

## Student Drowns In Big Sur Pool

James B. Thompson, son of Mr. and Mrs. Franklin P. Thompson of Pacific Grove, drowned Sunday in the Big Sur swimming pool.

The MPC freshman had attended a party there with student friends. He fell into the pool at 7:30 p.m. and murky water and silt prevented swimmers from finding him in the 10 feet deep water. He could not swim. His body was removed with a grappling hook at 9 p.m.

While at MPC, the art major was junior manager of the football team and belonged to the Palette and Brush club. He graduated from Pacific Grove High School, where he was active in track, yearbook editor and member of the Executive Council of the student legislature. He received an art scholarship upon graduation.

Funeral services were held at the Paul Mortuary Wednesday morning. Pallbearers were Frank Galasso, John Crawford, Robin Hill, Ford Joy, Robert Lopez and Arnold Lopez. Dr. Willard Miller of the Mayflower Church officiated. Burial took place in El Carmelo cemetery in Pacific Grove.

### Russian History Class Features Russian Film

Students in Russian History 45, while studying the Russian revolutions and the after-effects saw a movie about that period, and the life of the Russian people.

## Blacow Accepts Navy Job Offer

Dr. Joseph Blacow, Chairman of the Business Department, has been asked by the Navy Postgraduate School to accept a position as Chairman of the Applied Management Division.

He has requested a leave of absence for one year in order to take this position at the Navy School. He will have the rank of Senior Professor.

"I was approached about a month ago by Navy personnel, but I thought they were just interested in hearing about my experience in the teaching of Human Relations," Dr. Blacow explained. "I attended conferences and luncheons and then a few weeks ago I was asked to fill the position as Senior Professor of the newly formed branch of the school."

Blacow's responsibilities will be to supervise and work with the naval personnel to set up an adequate program. According to Dr. Blacow, the rate of turnover in all branches of the service is extremely high, and with this new teaching theory they hope to correct this situation. Dr. Blacow will take his leave of absence in August, when the second group of classes will begin.

Dr. Blacow came to the Monterey Peninsula in 1947 after being supervisor of "Student Teacher Training" at Stanford University.

## El Paisano Sales Set for Hey Day

Advance sales of the 1957 issue of El Paisano will begin next Wednesday in the Student Store, according to advisor Chet Smith.

"The book will be decidedly different in appearance from previous issues," said Smith. "Unique design and a different paper stock will make for richness throughout," he added.

Cost of this ninth issue, set by the Student Council, will be $2.10 with and $4.20 without an ASMPC card. Sales tax is included in these figures. Copies bought in advance will be delivered June 3. Others must be purchased in the Student Union after advance orders have been filled.

## Recent Diggings Yield No Bones

Extensive digging by a group of MPC students at the site of their rare "dinosaur bones" find during Easter week has failed to recover any more of the skeleton.

The group's leader Don Howard said that the twelve members of the expedition moved about 25 cubic yards of dirt and stone. "We found lots of fossilized nautiluses, ammonites and a great deal of fossilized crabs, but didn't find any more of the Elasmosaur."

Howard found the two large vertebrae while on a digging expedition with four other MPC students recently. Dr. S. P. Wells, University of California Paleontologist, identified the "dinosaur bones" as those of a 40 foot long Elasmosaur, a marine reptile which roamed the tidelands of the Paleocene seas, about 90 million years ago.

The find, the professor said, opens up a whole new area for exploration.

The MPC group took a digging trip to Coalinga last week.

Dr. Wells said last week, when he visited the site, that the area could now be recorded as being fossil bearing. "Fossils have never found in such good condition north of the Uanoche Hills," Howard quoted him as saying.

## Vote Yes

**Monterey Peninsula College is growing; the size of the student body is growing; and the part that students play in MPC government is growing. With growth comes the need for change.**

**Members of the Associated Students of Monterey Peninsula College will go to the polls next Friday to adopt or reject a proposed revision of the ASMPC Constitution. If adopted the constitution will go into effect June 4.**

**The proposed constitution is designed to make student government an easier, more effective and more representative job. Under the proposed system more students would have a say in the campus organization.**

**Because of this and other qualities of the proposed revision, EL YANQUI stands in favor of its adoption.**

**The complete text of the proposed constitutional revision appears on the inside pages of today's paper.**

**ELECTION DAY, MAY 10—VOTE YES!**

# Constitution of The Associated Students of Monterey Peninsula College

**Preamble**

WE, THE STUDENTS OF MONTEREY PENINSULA COLLEGE, with the approval and subject to the control and regulations of the governing board of the school district, in order to foster a spirit of unity in all student activities, to promote the growth and development of the college, and to better school-community relations, do hereby establish this constitution.

# MPC Sophomore, Father, Only Slavic Broadcasters

**"At present we have the only Yugoslav radio programs in all of Northern California," Andy Soldo, MPC sophomore and five year radio veteran, said as he ran his fingers loosely through his short cropped hair.**

**Andy, along with his father Andrew Soldo, is a director of the "Jugoslav Radio Show" presented on KHUB in Watsonville every Sunday. They also have a program on station KLOK in San Jose.**

**"Still, our Watsonville radio show is my real baby," Andy said.** "The program is classified primarily as a personality show which is directed to a specialized audience."

Andy and his father go by the names of Bob and Andrew respectively, on the programs which feature records and occasional announcements on community events. Most music played on the program comes from requests and is usually Yugoslav, according to Andy.

Andy Soldo

**Engineer**

Besides helping his father plan out the program and write the scripts, the energetic speech major also runs the show from the engineering stand point.

"I only have a third class restricted license to run the board, which means there must always be a first class engineer around to do the directing," Andy said grudgingly. I'm working for my first class license, though.

He plans to go to San Jose State or College of Pacific in the future where he will major in radio and television, and eventually obtain his first class license.

"Mom first started the programs," Andy said. "When she died my father and I continued with the shows."

**Competition**

Though they are now the only ones to operate Yugoslav radio shows in Northern California, at one time they had competition when a similar program was on the Watsonville station.

"For awhile competition really seemed rough," Andy said shaking his head. "But we finally won out."

Later The Soldos started a Yugoslav program in Fresno on station KGTS but recently that has gone off the air.

Besides his programs, Andy takes an active part in the MPC radio show, band, and staff paper.

# Alaskans Petition Council for Help

"Alaskan fought in World War II and in the Korean War to preserve the rights of democracy: but still we are not allowed Democracy," stated a recent letter from the Associated Students of the University of Alaska.

The letter, sent to the MPC Student Council, wasa plea from the Alaskans for support in their fight for statehood. A pamphlet, enclosed with the letter, outlined the problems of the territory, and claimed that Alaska is ready for statehood.

The pamphlet, entitled, "A Plea From Alaskans for Help," reported that Congressional Committees, investigating the possibility of statehood for Alaska, have deemed the territory ready and anxious to become the forthy-ninth state.

The pamphlet continued, "True, there are many miles of wilderness that remain undeveloped, but a large part of the citizens of Alaska live in and around modern, up to date cities."

The Alaskan letter concluded with a request that the people of the U.S. express their desire to see Alaska a state by writing their congressmen and expressing this view.

# Tyler Tells

**by Ev Tyler**

A beard is a beard is a beard J. T. Grogans said this week. It seems he has been accused of growing his beard because of a bet, razors became dull, or as social rebellion to conformity. His is simply growing hair on his chin just "to be growing it."

MISTER (September) and SIR (August) are two magazines we should be keeing our eye out for in the near future. MPC student, Connie Sellers, recently sold articles to the two magazines.

It's simply the time of the year for fashion shows, let's face it! Last Sunday the National Secretaries Association of Monterey exhibited the Spring styles in vogue. Journalism secretary, Mary Lou Johnson, modeled a bridal gown. Miss Emily Waszkiewicz and Kay Malozzo modeled also.

It's in Arabia where the Shieks sit under the trees to eat dates . . . the MPC guys will be looking for the other kind of dates come to May 25. That's the Spring Prom to be held at the San Carlos Hotel on that date. Girls . . . think of the dress you can make to go with the oriental theme.

# Body Builder Jackson Studies Masculine Art of Self Defense

**Business student Frank Jackson rates the Tumbling and Combatives class as one of the most important on his schedule.**

**Under Coach Bill Abbey, Body Builder Jackson is studying the arts of tumbling and self defense. But he likes the class for its body building value. In his opinion, body building is one of today's leading sports—one he has enjoyed since he was sixteen.**

**"Body building makes you feel invigorated and also makes you feel sure of yourself," he said.**

**Coach Abbey agress that the class "definitely" has value for** body building, but adds, "Of course, Jackson was pretty well built when he came into the class."

**Service Athlete**

Bodn in Louisiana, Jackson spent most of his life in Los Angeles. When he jointed the service he was stationed at Camp Stoneman, California. While there, he became a member of the camp's weight lifting team and the Sixth Army Athletic Team.

Abbey feels Jackson's military training hasassisted him in the MPC class.

In 1952, he qualified to compete in the All Sport Tournament within the Sixth Army Command. But, unfortunately, three days before the preliminary game, he hurt himself while training and was hospitalized for seventeen moths. This, he said erased all his hopes of ever qualifying in the finals of the tournament.

**Civilian Body Builder**

After he had served his term with the Army, he went on with his body building practices. Before he came to Monterey to further his knowledge in business, he was a member of the Wohelos Body Building Club of Los Angeles.

He is married to the former Daisy Lee Walker of Los Angeles. He plans to continue and finish his course in business and plans to work in the Los Angeles area after graduation.

# *Switch to Shell!*

***Before TCP...*** The car above was bought brand new and driven about 3000 miles on a competitive premium gasoline. Then its rate of acceleration was checked by radar. The pick-up was poor because of engine deposits, which caused the spark plugs to "miss."

***After TCP...*** The same car now *performs* after it has been run on a few tankfuls of Shell Premium with TCP*, which overcomes engine deposits. Radar checks on this and other cars showed in most cases a 6 to 18% increase in pick-up after TCP additive had overcome pre-firing and spark plug "miss."

Today's high-powered, high-compression engines are really rarin' to go, but they're especially sensitive to engine deposits.

Within about 3500 miles these deposits can short-circuit your spark plugs—causing them to "miss." The result: power loss. Your almost new engine has lost its fine edge.

The picture above of a radar-clocked acceleration test shows how TCP additive restores this lost power, delivering up to 18% faster acceleration—"pick-up" that even the most careful driver sometimes needs for safety.

Try Shell Premium with TCP and re-power *your* car while you drive. See your Shell Dealer.

*Shell's Trademark for this unique gasoline additive developed by Shell Research. Patent applied for.

Over the week-end I had the pleasure of going to Oakland with some of the bowling club members. We were to represent MPC in a bowling tourney. Well, eight students showed up for the deal. With only eight bowlers, we formed a five man (four guys and one doll) team. After the smoke cleared, we, the MPC team, found ourselves way behind in total pins over the three game route. Bowling club secretary, Leta Greene, along with the rest of us, got the horse laugh from the friendly, good-natured Bowling Club President of Oakland JC.

One of these days I would like to challenge Oakland again for a rematch, and if any of you are interested we might talk it up and really have a bowling tournament. What say?

Our congratulations to Dick Jennings on his pitching a no-hitter against the Fresno State JV's two weeks ago. Better late than never.

By the time the paper is printed, the middle-weight title fight will be history. But just for kicks, let's do a little guess work. The odds on Fulmore were 2½ to 1 to win. I'll take Fulmore. I din't think he'll have it so easy this time. No fighter has ever beaten Robinson two times in a row.

Saturday, May 4 MPC will play host to a five college conclave in the big Spring Invitational Sportsday. Schools participating in this years' pow-wow of prowess include: Vallejo J.C., Hartnell, California State Polytechnic College, San Luis Obispo J.C., San Jose J.C., College of San Mateo and MPC.

Events planned for the day include tennis, badminton, bowling, volleyball and golf. Women's doubles and singles and men's singles will be held in tennis. Women's and men's doubles and singles will be held in badminton. Volleyball will be open for women only. Bowling and golf will be men and woman participation.

**Team members representing MPC in badmington are: Phyllis Popkey, Barbara Bowman, Roger Shields, Jim Hicks, Harry Baxter. In bowling: Dave Weiber, Bill Guzules, Don Pollock, Chuck Foster, Dick Knapp, Ted Kasje, Ants Biskup, Winona Stone, Mary Lou Murray, Rosalie Pacheco, and Betty Humbird. In golf: George Yamanischi and Marvin Walker: In tennis: Cindy Risdon, Ann Pestalozzi, Chris Camargo, Polina Arensberger and Richard Pearson. Volleyball: Jackie DeQuincey, Marcia White, RoseMarie Soriano, Lillian Amell, Julie Winterburn, Lorene Peters, Pat Steele, Joan Menzemer and Coral Rice.**

Due to the fact that full teams appear so irregularly in Bowling League, we have resorted to individual challenges. A man or woman challenges anyone they wish and tries to produce a higher score. Last weeks' challenges produced the following results: Dave Weizer won over Bill Guzules by two points with 138 to 136. Steve Dirk was defeated by Dick Knapp but won over Doris Lewis who insisted she could win. Glen Burgess also challenged Dick Knapp and won with a 161 to Dick's 133. Bob Marting and Vince Bruno fought for four games with Vince ending with a high game of 164 to Bob's 162. However, Bob Martin wona high series with a 550 to Vince's 476. Larry Nabzeska won over Gene Lee with 143 to 137. Lee beat Matsouka 134 to 105. Doris Lewis won over Mary Lou Murray.

**COACH Don Borden has been granted a years leave of absence to go to Butte County, where he has accepted a position as county supervisor of health education and physical education.**

## MPC Swimmers Take Third Place

MPC swimmers took third place in the Northern California Junior College meet, April 26 in Sacramento.

Ford Joy paced the mermen by settting a new school record in the 200 yd. breast stroke with the time of 3:58.5.

Chuck Baird proved to be a big gun for the Lobos as he placed third in the 100 yd. breast stroke, sixth in the 200 yd. breast stroke, and was a member of the fourth place medley relay team.

Fred McGinnis took second in the 220 yd. free style and third in the 100 yd. free style. He was also a member of the medley relay team.

"I'm very pleased with the showing of the team," said coach Frank Young. "If we get all of the eligible lettermen back next, we should have a fine team," added coach Young.

## MPC Golf Team Travels to ECC

Lobo golfers, winless so far this season, are pitted against the East Contra Costa Vikings tomorrow at Concord.

In competition this season the Lobos have dropped the following meets: On March, 7, MPC was defeated by, San Francisco 13½ to 1½, San Mateo handed the Lobos their second defeat by a score of 14 to 1. In three successive matches with San Jose the Lobos were defeated 9 to 6, 10½ to 4½, and a close 8 to 7 upset.

Hartnell swept the next two matches from MPC by narrow margins of 8 to 6 and 9½ to 5½, on April 9 and April 12.

Coach Thomas Saake stated that Keith Rockwell is the most improved played and added that Jerry Leltfer has been doing very well in competition.

Friday's meet with East Contra Costa will begin at 2:30 at the Concord golf course.

# Abbey Head Man As Borden Leaves

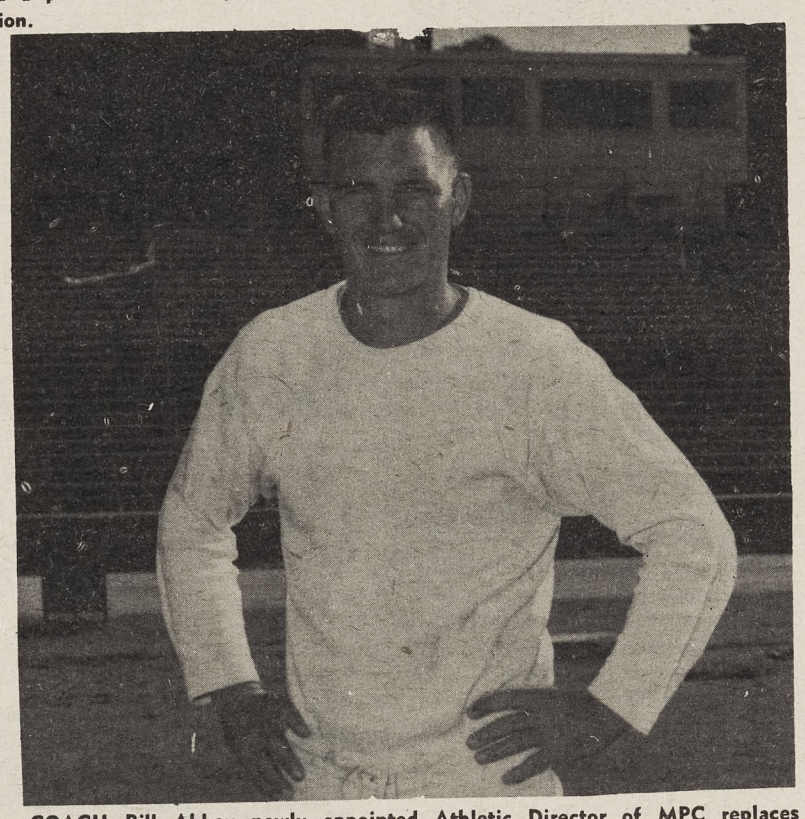

**Bill Abbey, Lobo football and tennis coach, has been appointed to the position of Chairman of the MPC Athletic Department. He replaces coach Donald Borden, who has accepted a position outside the Monterey School District.**

**Coach Borden, mentor of Lobo basketball and track teams for the past seven years, has asked the Monterey Peninsula College Board of Trustees for, and been granted, a years leave of absence that he might accept a position with Butte County. Working out of Chico, Borden will serve as county supervisor of health education and physical education.**

Coach Abbey arrived at Monterey at the beginning of the last fall semester to take over the Lobo football team, after a distinguished period as player and then coach with the powerful Fort Ord gridders. At the present, Abbey is concerned with the Lobo tennis squad, which has shown greater ability under his guidance than in previous seasons.

Borden, a graduate of UCLA and Santa Ana JC, has been at MPC since May 11, 1950. He was appointed as athletic director in 1954-55. He was recognized as a member of the Little All American basketball team during his college basketball years, in which he gained notice for his ability on the hardwood.

His position as track coach leaves a vacancy in the Lobo coaching staff, which officials will fill as soon as is possible. His job as basketball coach will be taken over by Pete Paletta, at present serving on the coaching staff of Sacramento's Del Norte High. Paletta will begin his duties at MPC at the beginning of the coming fall semester.

**COACH Bill Abbey newly appointed Athletic Director of MPC replaces Coach Don Borden who has taken leave of absence.**

## MPC Baseballers Host San Jose J.C. Tomorrow in Twin-Bill at El Estero

**Tomorrow, MPC baseballers will play host to the San Jose nine in a conference game to be held at El Estero Park.**

**The Lobos have one more conference outing after tomorrow's game. They will meet East Contra Costa May 8, to close the conference season.**

Last week, in a return twin-bill, Fresno State JV's, one of the strongest teams in the conference, gained revenge by sweeping a double-header from Monterey.

Dick Garcia, MPC moundsman, started the first game and pitched hitless ball for the first three innings. In the fourth, the Fresno team found Garcia for 7 hits and 4 runs. Fresno went on to score 2 more runs in the fifth to down the Lobos 6-0.

In the second game, Dick Jennings again faced the team he had held hitless the week before. Jennings, however, proved to be no mystery to Fresno boys. They shelled him for 14 runs and 13 hits.

The final score was 14-1.
